Master of International Accounting (MIA)

Academic Professional Partnership Programme at Macquarie University, Sydney, Australia

ACCA is the fastest-growing gateway to the accountancy profession, helping people like you to become successful accountancy professionals. Our partnerships with top-tier universities around the world allow you to start your journey with ACCA as you study towards a postgraduate qualification that has been aligned to our professional qualification.

What does this mean for you?

You can give your career a head start. Gaining the globally-recognised ACCA Qualification complements your postgraduate degree by providing you with the professional skills and knowledge required by employers everywhere.

Our partnership with Macquarie University means that you can study at one of the highest ranked Universities in Australia for a Master of International Accounting (MIA), alongside your ACCA qualification. This program is also an ACCA Recognised Pathway Program which allows Macquarie University to provide extensive Academic support for students completing their five ACCA professional level examinations.

Who should apply?

- Graduates with a bachelor's degree from a non-accounting discipline seeking an accounting qualification; or
- Graduates with prior accounting studies; or
- Graduates who have successfully passed the ACCA Fundamental examinations (F1-F9) or received exemptions from these papers

The admission criteria is

- Australian level 7 bachelor's qualification or recognised equivalent
- GPA of 2.70 (out of 4.00) For international students: IELTS of 6.5 overall with minimum 6.0 in each band, or equivalent.

Program Duration

The program consists of 80 credit points which students can complete in 1.5 – 2.5 years of full-time study, depending on RPL granted. If you have an accounting-related undergraduate degree, you may be exempt from the gateway component (600-level units)

Benefits of studying the Master of International Accounting (MIA) – Academic Professional Partnership Programme

- membership of ACCA, the world's most progressive and supportive accountancy body driving your career towards even greater opportunity. Our members have access to ACCA Careers, the largest and fastest growing global job board for aspiring and experienced accountants
- study towards the five ACCA Professional-level exams taken from:
 - P1 Governance, Risk and Ethics,
 - P2 Corporate Reporting and
 - P3 Business Analysis,as well as two option papers from:
 - P4 Advanced Financial Management,
 - P5 Advanced Performance Management,
 - P7 Advanced Audit and Assurance.
- an MIA adheres to the ACCA framework making it relevant to the global needs of today's accountancy profession
